Patterned carpet may require special attention by the installer to assure a suitable match, and must be addressed in the original labor quotation. Repositioning ofcarpet tiles may be necessary to ensure light or dark lines do not align at the seams. Products that go through the shearing process may result in a small loss of yarnweight. Slight variations in color among different production lots are normal and should be considered in the overall installation plan. Carpet specifications andcomponents are subject to normal manufacturing tolerances and may change without notice. Product warranted in accordance with the terms and conditions ofBentley's standard printed warranty in effect at time product is sold. All other warranties, including without limitation any implied warranties of merchantability orfitness for a particular purpose, are hereby disclaimed. Made in USA.
