## Suitable

A black suit for a formal affair, a seersucker suit for the summer or a wetsuit for the water; one could wear any of these at any given time, but wear a wetsuit to a wedding and it just might be frowned upon. Each of these options were fabricated specifically for a particular purpose or event and definitely not meant to be worn at all times. However, every once in a while, we come across that perfect ensemble that becomes our proverbial uniform for any occasion. Dress it up. Dress it down. It's always the most suitable choice.

Inspired by this scenario, Bentley's Suitable product just happens to be that flexible offering for a wide variety of installations. Whether you need a product for corporate offices, education spaces, quick turnaround jobs or projects that need to conform to a tight budget, you'll be happy to know that Suitable will always be just the right fit.

Bentley's carpet products are manufactured in our California mill, a LEED Existing Buildings: Operations and Maintenance Gold certified facility. Certificates for carpet products, including Cradle to Cradle™, NSF/ANSI Standard 140 - Sustainable Carpet Assessment (NSF 140), and CRI Green Label Plus are available in *Certifications* under the Sustainability section of our website. Information regarding our Environmental Product Declarations, Health Product Declarations, and Declare Labels can be found in *Transparency* under the Sustainability section of our website. Patterned carpet may require special attention by the installer to assure a suitable match, and must be addressed in the original labor quotation. Repositioning of carpet tiles may be necessary to ensure light or dark lines do not align at the seams. Products that go through the shearing process may result in a small loss of yarn weight. Slight variations in color among different production lots are normal and should be considered in the overall installation plan. Carpet specifications and components are subject to normal manufacturing tolerances and may change without notice. Product warranted in accordance with the terms and conditions of Bentley's standard printed warranty in effect at time product is sold. All other warranties, including without limitation any implied warranties of merchantability or fitness for a particular purpose, are hereby disclaimed. Made in USA.
