

Limitless possibilities.

There is no right or wrong way to bring people together. That's why the Epix collection empowers all the endlessly creative ways people connect in the modern workspace through the lenses of innovation, scalability and sustainability.

The Epix collection – tables, seating, and storage – inspires the imagination with the potential of limitless possibilities, enabling you to create customized workspace that bring your vision to life.

Every piece is crafted solely from the highest quality pure materials – ensuring that every part of the Epix collection is fully recyclable – incorporating sustainability from day one and integrated throughout every stage of our process, from zero-waste landfill manufacturing to offsetting 100% of electricity used with renewable energy credits.

Side chair with a Titanium plastic shell, Nickel frame, and Natural ash legs

Standout seating.

Sustainability and style are what earn Epix Seating a place at any table. Its single pure aluminum frame provides stability and support to the soft shell seating – comprised solely of pure polypropylene and pure PET felt for complete recyclability.

Side chair with a Stone formed felt shell, Dark Gray frame, and Walnut legs

Form that fits any function.

Seating options help create spaces that elegantly and sustainably complement your needs, from meetings and conferences to more casual gatherings, without compromising your design vision.

With a variety of bases and heights available, as well as armless or armrest options – supported by a thoughtful selection of colors and finishes to choose from – there are endless ways to truly make your workspace your own.

Side chair with a Titanium plastic shell, Bronze arms and frame and Natural ash legs

Up to the task.

Configurations that are as limitless as your imagination – or your office space. Tables can easily be linked and rearranged to create extra-long surfaces suitable for larger gatherings.

Square-shaped and equipped with wheels for effortless repositioning, they make any meeting space mobile and more efficient. And because they're crafted from healthy materials, they can easily be recycled to lessen environmental impact.

Store, divide and dampen sound.

The Epix Shelf helps you define and divide your workspace, providing storage without sacrificing sustainability. Optional felt dividers – crafted from healthy materials for easy recycling – minimize interruptions and dampen noise while offering greater privacy. Keeping you organized while also creating different ways to delineate your space, this shelf – available in multiple heights and lengths – helps every workspace level up.

Mobile office.

The work cart gets a sustainable, upscale makeover in the Epix Cart. Crafted from healthy, easily-recyclable materials, this classic cart allows tools to travel with you from workspace to workspace, designed to move wherever people congregate – facilitating collaboration anywhere.

Everything in its place.

Keep your workstation organized with a simple yet stylish felt-lined stationery tray, crafted from pure material for greater sustainability and easier recycling.

Form Us With Love.

The Epix collection is a collaboration between Keilhauer and Swedish design studio Form Us With Love (FUWL) – who share our passion for both sustainability and modern design, striving to innovate with everything they create. Their process blends traditional practices with a lean strategic approach that results in elevated design accessible to all.
