The Keilhauer story.

Designer Collaborations

Keilhauer carefully partners with product designers whose design philosophies and values complement our commitment to design excellence. Our partnerships with some of the best designers in the world result in the beautiful, well-crafted products that make up the Keilhauer catalog.

Quality Materials

Rich, solid wood; resilient steel; luxurious leathers and fabrics; Keilhauer sources the finest materials in the world to ensure every piece is built for comfort, durability, and beauty.

Iconic by Design

From sketch to model, from prototype to a coveted icon of design – our engineers work side by side with product designers to create extraordinary seating and tables. Ingenuity, research, and collaboration transform vision into reality.

Design Leadership

Provoking, iconic, and covetable, Keilhauer is recognized around the world for award-winning design and best-in-class products.

Sustainability Focused

All Keilhauer furniture is built in a zero-waste to landfill facility and is supported by Keilhauer's standard 10-year warranty. Many of our products carry BIFMA LEVEL® 1 and SCS Global Services certification for Indoor Air Quality at the Indoor Advantage™ Gold level.

Crafting Excellence

Keilhauer's legacy is based on the expertise of master upholsterers, pattern cutters, engineers, and tailors. Every item is crafted to provide our customers with exceptional quality and to add another chapter to our story of excellence.
