

Kin

Design by PearsonLloyd

Kin is a family of elegantly strong mono-shell seating and 'family' was the ethos from the very beginning. Often, a range develops from an original design for a single piece and is then stretched to apply to other furniture, but Kin's purpose was to

be one coherent and harmonious collective. So, there are no poor cousins, just strong, compelling characters allowed to thrive alone and together in a diverse and demanding array of settings.

Design PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997. Since then the studio has created stunning

solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.

Standard Features

- (* - Selected models only)
- Plastic shell
- Upholstered seat pad*
- Upholstered inner shell*
- Upholstered shell*
- Tubular steel frame*
- Aluminum leg connector frame*
- Solid Ash legs*
- 4 star swivel base on glides*
- 5 star swivel base with height adjustment on casters*
- Plastic glides*
- 2" hard wheel casters*
- Stacks up to 4 high*

Optional Features

- (* - Selected models only)
- 4 star auto return base on glides*
- 4 star fixed base on 2" hard wheel casters*
- Plastic glides with felt*
- Soft wheel casters*
