

Conic Tables

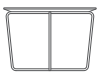

Design by PearsonLloyd

Conic's range of low level tables work effortlessly with both the Conic and Open ranges given that they share a common design language.

The beautifully simple Polished Chrome wire base offers a light functional structure, that allows the tables to work effortlessly in a multitude of environments.

Design
PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997. Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
