

Famiglia Work Tables

Design by Allermuir

Famiglia's work tables, designed for ad-hoc meetings and touch down spaces, are available in two heights, featuring a soft square top in various sizes. The tables' cast metal base features an innovative tech knit sock which also acts as cable management when used with an integrated power module.

Design
PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997. Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
