

Open Tables

Design by Allermuir

Complementing the Open seating range, the Open collection of occasional tables has a striking Polished Aluminum base with a choice of top shapes. Available in three different heights, they are perfectly suited to meeting, dining and breakout areas in a multitude of environments.

Design

PearsonLloyd

Luke Pearson and Tom Lloyd first met while studying Furniture Design and Industrial Design respectively, at London's prestigious Royal College of Art. They set up their multi award winning design studio in 1997. Since then the studio has created stunning solutions for a variety of international clients from the aviation, workplace, urban design and healthcare sectors identifying and responding to shifting patterns of behaviour in contemporary life.
