

## Pache

Design by Allermuir

Pache is a beautiful family of café tables. Round, square and soft chamfered rectangular shaped tables are available in a variety of finish options. The tables' elliptical solid ash legs can be left clear,

stained or color washed, complemented by a range of accent colors including Coral, Peacock Blue, Basalt, Sage, Pebble, Stone or White Powder Coat available to use on the aluminum frame.

The option of a sliding bag hook is a stylish yet functional addition.
